Taken from loose letter.

Dear Sir

I received your Letter and you want to know the reason that I withdrew from your Communion which was because I saw the Altar surrounded with drunkards and all sorts of fashions and that hurt my feelings to see the canons trampled under foot I thought when I saw them that they would be put in force but I see that the Vestry stand and look on and never say a word as if they were not placed as Stewards over the church. My dear friends Remember that you and I both have to stand at the Bar of God to give a strict account of all our Steward Ship do My dear friends strive to watch over your flock better I think that if you felt the love for poor sinners that I do you would watch over them better Glory to God I know that I have that willingness in my heart that I am Born of God and I am determined through Grace to spend the Rest of my days in the Service of God. Now my Dear friends I cant help but pray for you may God of his infinite power pour down his converting and sanctifying power on you

all and make the place awful on the account of his presence. O my God remember the Vestry of Stepney Parish and enable them to watch over their flock better that you and I may meet at the Right hand of God there to shout and wonder at his grace to all Eternity. Dear friends pray for me that I may not turn back to the world. I can say no more but commit you in the hands of that judge that knows your heart and mine and this from your Loving communicant in Soul and Spirit.

February 2nd 1807

Sir:

The Vestry of Stepney Parish at a former meeting on examining their communion found that some of that number had withdrawn and connected themselves with other Denominations without offering any reason to their fellow members for so doing, when a Canon of our Church expressly called on the Rector of the Parish to make an annual return of his communicants. How was his duty to be complied with without being furnished with a list by his Vestry. And how were the Vestry to furnish a list without knowing the persons who composed that communion. To accomplish this the Vestry calls on those who had for some considerable time withdrawn themselves, and whom report had said were connected with other societies. To know from themselves whether they had withdrawn or not

was the object of the former notice.
We state this to shew by what the Pastor were influenced, and as a means to produce conviction on your mind that you have done what you ought not to have done - We will ask you in what other way could we have done it, and we will further ask you if it was not done in the Spirit of meekness ..... breathed the Language of Christian Love. You may alledge was an intimation of Schism, were you a man of information we wou'd enter elaborately into a definition of the Term, and shew by authority from the time of St Paul to the present day that you are expressly guilty of that crime, we think it unnecessary to quote authority or authorities on this occasion, as you may alledge that it was done to answer this particular purpose, We will therefore to make it conclusive and irresistable, refer you to the Discipline of the Church you now profess on that subject. And ask yourself, If that can be applicable to you in your present situation, without being equally applicable to you in the situation you were in. We will further ask you if you were determined to break through all the Social ties Humane & Divine by which one Man is tied to others, Could you not have done it without prostrating and charging others with crimes the most Black and Enormous.
Would nothing short of this do for your Justification were we permitted to delineate a line of conduct for you it wou'd have been this, as a member of that church, If you saw Drunkards and people of all kinds of fashions, (To make use of your own term) crowding that Communion was it not your duty to have communicated this to the Body who were authorized to correct those errors. How do you

know, but the previous admonitions were given, and if they did not prove salutary, that compulsory measures would be adopted. Did you go into these enquiries, such an enquiry would have been seal seasoned with knowledge. but How is it that none of this extraordinary love for sinners ever appeared till a justification was called for.

We well know It is contrary to the Revealed will of God, that the justification of one poor sinner can be Established on the condemnation of others, we are old enough in the World, and sufficiently acquainted with mankind to know, that the lips and Hearts of men may be at opposite points, Mankind may make professions of the knowledge of their sins forgiven, and may say they know they are born of God, but the Gospel tells us, "They that commit sin are of the Devil". We wish not to be mistaken in this business, we acknowledge, we feel as men, we also wish to feel as Christians, and we are also bound to feel as the representatives of the Episcopal Church, and as the Guardians of that church we feel bound to support its Dignity upon christian principals-

We would fain offer our prayers for you. But if we are the Drunkards represented The same Scripture that tells us "The prayers of the Righteous availeth much" also tells us "The Prayers of the wicked are an abomination". Whatever our opinion of each other may be. This we can confidently say, if you are the christian in Reality you profess to be, you will cheerfully meet your offended Brethren, to remove every cause of offence we feel equally ready to meet you under the command of our Lord and Master, who says, if thy Brother offend forgive

him, (viz when a sense of penitance is manifest)
We have been thus lengthy on this subject to convince
you of your error and have unanimously consented
that the hand of charity should be extended to you.
We therefore inform you that if you will meet the
Vestry at Green Hill on the first Monday in March
next and there make such concessions as shall
be deemed satisfactory to them, so as to remove the
defamatory charge exhibited in your reply, you
will be treated with as much charity as the case
will admit of, If you do not, you will be
excommunicated from the Pulpit in every church
in the Parish, and your Letter reserved as a Justifi-
cation for our conduct to posterity.

Stepney Parish

Loose letter. Mr. George Riall

Dear Sir:-

I thank you for yours of the
23rd inst. enclosing the extracts from the Record
of Stepney Parish. They are important to my
work & you have done me a great favour.
I regret that I had no opportunity of examining
these records during my late visit to the E.
Shore. There are probably other things in connec-
tion with the names of Winder, Gillis, Henry,
Polk, Nutter &c. &c. which would have been of
value to me.

You give me the name of John Handy who mar-
ried Ann Nutter with the date of marriage
Dec. 23rd 1748 & the birth of their son Thomas
March 18th 1749. This would make his birth
about three months after the marriage. Is
there not a mistake in your figures? I had
calculated his birth from other dates in my
possession (an affidavit given in Sept. 1773 in

which he says he was 23 yrs. old) in 1730, Will you be kind enough to examine this again, & inform me on the subject. Do you find any other notice of this Thomas Handy on the Records? You give him a son of Jas & Anne Handy I suppose of course it is John & not Jas. in the Record.

The George Handy whose family Record you send was my Great Grandfather. & I am pleased to find that the dates correspond with dates which I already had in my possession, except in the case of Elizabeth which you put down June 8-1773. This Elizabeth was the wife of the late Dr. Saml. Key of Princess Anne.

Will you not be kind enough to refer again to the Records, & see whether the James Handy you send me is not James Hardy instead of Handy? There was a James Hardy, but I have found no James Handy, living at so early a period in Somerset. It is very important to settle this question, & you will do me a great favour to refer very closely once more to this name. If you should find that this was certainly James Handy, it would bring a flood of light upon my work to get his wife's name also.

The William Handy who married Mary Harries I cannot identify. There was a John Harries who married a Mary Handy.

I am hunting for a William Handy who married Elizabeth Beauchamp, at an early period.

Will you do me the favour to tell me whether you find the names of any Handys as Church Wardens, Vestrymen, or in any other Church relationships.

With many thanks for your attention, & hoping it may be in my power to serve you at some

future day

I am very truly
Yrs &c.
Isaac W. K. Handy.

Can you tell me what Handy it was that married Levin Winright in your neighbourhood & had a son George Handy Winwright & others? whose daughter was Levin Winwright's wife?
I find another memorandum since writing the above which corresponds with your date of Elizabeth Handy's birth. Will you do me the favour to send me the dates of births, marriages &c. in the cases of any Gillisses on your books? My mother was Mavin Gillis daughter of Levin Gillis—
